C. **My Plan** Now write your own plan. Start by finishing #1.

1. Write your dream on the line.
   
   My dream is ________________________________
   ________________________________
   ________________________________

2. What will you do to make your dream come true?
   Write a list of steps. Number them in order.

   **My Plan**
   
   ___ ________________________________
   ___ ________________________________
   ___ ________________________________
   ___ ________________________________
   ___ ________________________________

3. Check your list. Be sure the steps are numbered in the right order.
   Then rewrite your plan in the right order.

   **My Plan**
   
   ___ ________________________________
   ___ ________________________________
   ___ ________________________________
   ___ ________________________________
   ___ ________________________________
